

## Missionary of the Month - September 2023

**Jim & Sarah Jordan, Training Leaders International (TLI).** TLI exists to establish and strengthen local churches around the world, offering training that is culturally appropriate, effective and reproducible.

### Prayer Needs:

- Please pray for my teaching trip to Sierra Leone in November. Pray that the students will be helped to preach biblical sermons as a result of our preaching workshop.
- Please pray for wisdom in leadership as I am responsible for five of the departments at TLI.
- Please pray that our family will keep our focus firmly on Jesus.
