## Join a Growth Group This Fall

### Why be part of a Growth Group?

The most common reasons people join growth groups are:

- \* To build significant relationships. It's a great way to really get to know people and experience authentic, caring relationships.
- \* It's a good way to meet social, emotional, physical and spiritual needs.
- \* Growth Groups provide the best environment for the life change that God intends for every person.

### ***Sermon-Based Growth Groups?***

Sermon-based groups are our main focus of community and spiritual growth. The focus of a sermon-based small group is not so much on the curriculum as it is on the process. The ultimate goal is simply to **Velcro** people to the two things we all need most to grow: The Bible and other Christ-followers.

Living out Sunday morning messages can be a great way to live out God's truth in our daily experiences.

### **New Fall Sermon Series: Evidence That Demands a Verdict**

Evidence That Demands a Verdict has convinced skeptics of the Bible's reliability, helped believers articulate their faith, and given them the vital facts they need to defend God's Word and lead others to faith in Jesus. Learn how the books of the New Testament came into being and why you can be sure they are historically reliable. Examine why the claims Jesus made about himself are true, how he fulfilled Old Testament prophecies about himself, and how we can know the resurrection took place.
